**The Yamaha Drum Course** (ages 8 to adult)

The Yamaha Drum Course teaches not only kit playing, but proper stick technique and reading skills. The up-to-date material and accompaniments make this the ideal starting point for all drummers.

The Drum Course is divided into three levels: 8 -12 yrs; 13-18 yrs; and 19+. The course focuses on popular music styles, like rock, funk, and jazz. You'll learn how to keep solid time, how to play fills at the right time, and how to get a solid and pleasing tone out of the drum kit.

Classes will be held in the new state-of-the-art facility of the School of Education at Laurentian University.

To register for the course or for a **Free Trial Class**, contact Ian at (705) 524-7418 or by e-mail at [ian@duolibre.ca](mailto:ian@duolibre.ca).
